MITSUBISHI PAJERO NX TJM SIGNATURE BAR

The T15 Signature bar shape is signified by a strong centre loop, accompanied by two refined side loops protecting the headlights. This bar is light weight, strong and looks the part too. Adding guaranteed class to your four wheel drive, the TJM Signature bar is sure to make others green with envy.

Features

- › NEW 63mm^ø outer tubing
- › Alloy construction
- › Innovative styling to complement the NX Pajero design
- › Wing underguards and centre guard
- › Designed for improved approach angles
- › 76mm^ø centre tube
- › Integrated DRL LED fog lights (fog lights, wiring harness & switches included)
- › Flush mounted LED combination lights with tough polycarbonate lenses
- › Integrated winch mount rated to 9,500lb winch loading (TJM recommends fitment up to TJM Torq 9,500lb cable and synthetic winches)
- › Accommodates large driving lights (up to Britax Xray Vision 220 series)
- › Provision for fitment of dual aerials
- › Air bag compatible and ADR compliant
- › Does not void your new vehicle warranty

Note. Britax driving lights, winch and aerial not included.
