MITSUBISHI PAJERO NX TJM OUTBACK BAR

The TJM T13 Outback bull bar is available now for your Mitsubishi NX Pajero. Our TJM engineers spend countless hours perfecting the Outback design to ensure you're equipped with one of the finest bull bars available in the market. TJM bull bars are put through a comprehensive design criteria and testing process to ensure that all TJM bars are air bag compatible and ADR compliant.

Features

- › NEW 63mm^o tubing
- › Steel construction
- › Innovative styling to complement the NX Pajero design
- › Wing underguards and centre guard
- › Full cato straps, uniquely styled to the vehicle for incredible strength and damage deflection
- › Designed for improved approach angle
- › Integrated DRL LED fog lights (fog lights, wiring harness & switches included)
- › Flush steel mounted LED combination lights with tough polycarbonate lenses
- › Integrated winch mount rated to 9,500lb winch loading (TJM recommends fitment up to TJM Torq 9,500lb cable and synthetic winches)
- › Accommodates large driving lights (up to Britax Xray Vision 220 series)
- › Provision for fitment of dual aerials
- › Airbag compatible and ADR compliant
- › Does not void your new vehicle warranty

Note. TJM steel bull bars are supplied in a hard wearing black powder coat. Colour coding is an optional extra available through your local TJM Distributor. Britax driving lights and aerial not included.
